Name:- Lucky Rawat
Father's name:- Sohan Singh
University Rollno:- 1922030
Course:- BSc IT   Semester:- 5th
Paper Name:- Mobile Application Development Lab
Paper Type :- Regular, Mid Term.
Paper code:- PBI 501

1.
```java
import android.app.Activity;
import android.content.Intent;
import android.net.Uri;
import android.os.Bundle;
import android.view.View;
import android.widget.Button;
import android.widget.EditText;

public class MainActivity extends Activity
{
    protected void onCreate(Bundle savedInstance
                                          State)
    {
        super.onCreate(savedInstanceState);
        setContentView(R.layout.activity_main);
        //Bind the components to their respective
        objects
        // by assiging their IDs
        // with the help of findViewById() method
        find EditText editText1=(EditText) findViewById
        (R.id.editText1);
        Button button = (Button) findViewById(R.id.button
        1);
```

Rawat

```
//implementation of onClick event for implicit
  Intent
button.setOnClickListener(new View.OnClickListen()
   {
      public void onClick(View v)
      {
         //performing webpage open action
         String url= editText1.getText().toString
         ();
         Intent intent = new Intent(Intent.ACTION
         _VIEW, Url.parse(url));
         startActivity(intent);

      }
   });
}
```
